**Top 10 Hiking Tips**

1. **Wear Proper Footwear** - Pay attention to the difficulty rating and surface of trails and always wear suitable footwear.

2. **Bring Water & Snacks** - Refillable water bottles will help you stay hydrated and reduce waste. Share with your friends, not the wildlife, feeding local animals can hinder their ability to survive independently.

3. **Pack In & Pack Out** - Please ensure you recycle or dispose of your waste in a proper location.

4. **Leaflets three, let it be** - Learn to recognize poison ivy and stay clear.

5. **Don’t Get Bit** - Wear light coloured long sleeves and pants to keep away mosquitos and black flies.

6. **Watch out for Snakes** - Be mindful where you step. Massasauga Rattlesnakes have excellent camouflage, and they’re a protected species. If you’re bitten, seek immediate medical attention.

7. **Beware of Bears** - In the rare event of a black bear encounter, make yourself as large as possible and make a lot of noise by yelling or stamping your feet.

8. **Being Prepared** - Download the what3words app before you head out to help clearly share your exact location in the event of an emergency.

9. **Stay Connected** - Let others know where you’re planning on hiking, and bring your charged up cell phone so that you can call for help in case of an emergency.

10. **Take Nothing But Pictures** - And leave only footprints so those who follow can also enjoy these natural wonders.

**CAUTION PLEASE READ**

- Trail use can be a risky activity.
- The trail colours used in maps are for illustration purposes and may not reflect the difficulty rating of the trail. For detailed information please refer to the trail signs on site.
