Beaches and Sunsets

Soak up the sun.

With over 2,400km of Great Lakes shoreline, its no surprise Bruce County is home to many beaches including the second longest freshwater beach in the world with pristine white sand. Looking for more than your usual sandy white beaches? The Lake Huron to the west and Georgian Bay to the east creates a unique opportunity to see and explore two diverse sides of the County.

MS Chi-Cheemaun

Cruise the Bruce.

A breathtaking 40 km sail from the tip of the Bruce Peninsula to the world's largest freshwater island, Manitoulin Island, showcases the dawning of a new day, crystal clear blue waters and stunning sunsets. The 2-hour car-ferry cruise is a comfortable crossing with full cafeteria service, children's play area and "Boatique" gift shop.
